

Product Obsolescence Announcement

Notification No: EAPOA0013	Date: 20 th April 2016
-----------------------------------	--

This document serves as notice that the product described below is to be discontinued. It also identifies the level of support that you should anticipate in the future.

We understand that this may cause some inconvenience and we are happy to help you find a replacement instrument that will suit your needs. We have announced the CableSniffer CS2 as a replacement product for the CS1. The LV Solutions Team are available to answer any questions you may have, discuss replacement options with you and advise you of any offers that may be available. You can give them a call on 0151 347 2286 or alternatively email lvolutions@eatechnology.com.
