POWER SKILLS
CONFERENCE

About the event

We're delighted to be offering sponsorship opportunities for EA Technology's Power Skills Conference 2026, shaped around the central theme: **Building an Inclusive, Resilient Power Workforce**

Hosted at the Hilton Birmingham Metropole on Tuesday 16th June 2026, the Power Skills Conference brings together HR, Training, and Learning & Development professionals to explore how organisations can build the skilled, future-ready workforces essential for long-term success.

Building on the success of last year's event, the 2026 conference will continue to offer the practical insights, expert case studies, and forward-thinking strategies delegates valued, with the same high-quality speaker programme and opportunities for meaningful engagement across the people-development sector.

Why Sponsor?

As a sponsor you will:

- Connect directly with senior professionals shaping workforce development, skills strategies, and organisational capability across technical and industrial sectors
- Position your brand at the forefront of skills innovation and future-focused people development
- Showcase your expertise, services, and solutions to a targeted audience of HR, L&D, and talent specialists
- Align with a positive, high-impact initiative supporting the UK's evolving technical skills landscape
- Gain visibility before, during, and after the event through EA Technology's integrated marketing and delegate engagement campaigns
